Our History

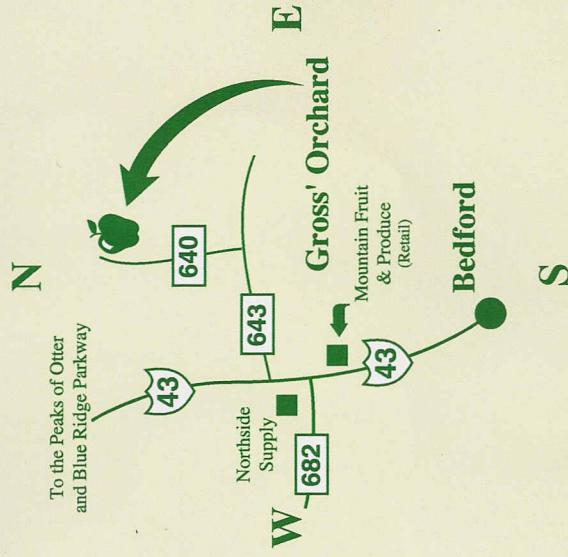

Runs Deep in the Blue Ridge Mountains

Gross' Orchard is a family owned and operated orchard which has been in business before the turn of the century. Our specialties are mountain grown peaches and apples. We are located at the foot of the beautiful Peaks of Otter. In the summer, June 20th - Sept. 15th, we have peaches for you to select from or a U-Pick program if you choose to enjoy. In the fall season we have a great selection of apples for you to choose from at our retail outlet at the edge of the orchard. Fall apples—beginning Sept. 1st.

You also have the privilege to participate in our pick your own program. Our peach and apple trees are well maintained for your picking.

We hope you can visit us and meet the third and fourth generation of our growing family. We welcome you to become a part of our family. You may place an order during your visit or just call **1-540-586-2436**. We **ship gift packs** nationwide for you. Ask for our business card too.

Directions

From 43 North:

Take a right onto 643 then a left onto 640. The Orchard will be on your right.
